ILLINOIS WILL LEAVE
FOR HAMPTON ROADS

WHERE SHE WILL BE DOCKED AND UNDERGO SOME NEEDED REPAIRS, HAVING COMPLETED HER TARGET PRACTICE HERE WITH A CREDITABLE SCORE.

The battleship Illinois, one of the finest ships of the combined fleet, will leave to-day for Hampton Roads, and all preparations for the departure of the vessel have been completed. It is expected that she will get under way this morning about 9 o'clock, as coaling was completed at 3 o'clock yesterday afternoon and all stores and provisions placed on board later in the afternoon.

The departure of the Illinois was somewhat unexpected, as it was stated when she came here that she would remain in port until the departure of all of the ships for the north. Her present trip is for the purpose of going into dry dock for extensive repairs. She has finished her record target practice and made a fine record during the work.

The Maine, on the Range. The battleship Maine, flagship of the squadron, passed out of the harbor yesterday to the target range. When she left the harbor she did so with

out the admiral's flag flying, as it was transferred at 2 o'clock to the Kearsarge. Admiral Evans, with his entire staff is now on board of the latter vessel. There was but little ceremony connected with the transfer, the admiral and his staff leaving the Maine about thirty minutes before her departure and boarding the Kearsarge. As soon as they reached the deck the flag of the admiral was raised.

Leave for St. Joseph's Bay. The cruisers Des Moines and Denver will leave this morning for St. Joseph's Bay, where they will engage in practice on the range at that place. All of the cruisers are doing their firing at St. Joseph's, as the seas are not as heavy there as on the range off Pensacola.

HEALTH IS YOUTH.

Disease and Sickness Bring Old Age. Herbine, taken every morning before breakfast, will keep you in robust health, fit you to ward off disease. It cures constipation, biliousness, dyspepsia, fever, skin, liver and kidney complaints. It purifies the blood and clears the complexion. Mrs. D. W. Smith, Whitney, Texas, writes April 3, 1902: "I have used Herbine and find it the best medicine for constipation and liver troubles. It does all you claim for it. I can highly recommend it." 50c a bottle.

WILL HOLD ANNUAL
ATHLETIC TOURNAMENT

MEN OF THE FLEET ARE PREPARING FOR EVENT TO DECIDE CHAMPIONSHIPS IN VARIOUS ATHLETIC CONTESTS.

The men of the fleet are now arranging for their annual athletic tournament and Admiral Evans has fixed the date for holding it, Saturday, April 29. The event is held under the direction of the officers of the fleet, and it is the intention now to hold it in the opera house on the night of the date named, the proceeds to be devoted to some charitable institution.

These athletic events, which the men always look forward to with a great deal of enthusiasm, are held for the purpose of exciting interest among the men in athletic sports and for determining the championships in the different contests for the present year.

The citizens of Pensacola will be glad to do everything they can to make the athletic tournament a success and the opera house will no doubt be packed on the occasion of the event.

A Dandy for Burns.

Dr. Bergin, Pena, Ills., writes: "I have used Ballard's Snow Liniment; always recommended it to my friends, as I am confident there is no better made. 'It is a dandy for burns.' Those who live on farms are especially liable to many accidental cuts, burns, bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency." 25c, 50c, \$1.00 bottle. Sold by all druggists.
